

MANDO
GROUP'S
AWESOME

£100

CHALLENGE

foundation

What's the **BIG** idea?

Mando Group is donating an initial £5,000 to kick-start the challenge. All employees will participate in the fun, fund raising challenge where you will be given £100 and have 2 months to grow it by as much as you can, the total raised will then be put back into the Mando Group Foundation.

The challenge will run over December and January 2009/10, during which time you have the opportunity to team up with other employees and test your teamwork or you can go alone and test your individual entrepreneurship!

This is an ideal opportunity for you to go away and experiment with your creativity and your entrepreneurial skills in order to increase the total of the Mando Group Foundation pot which in turn will go towards making a difference to those who need it.

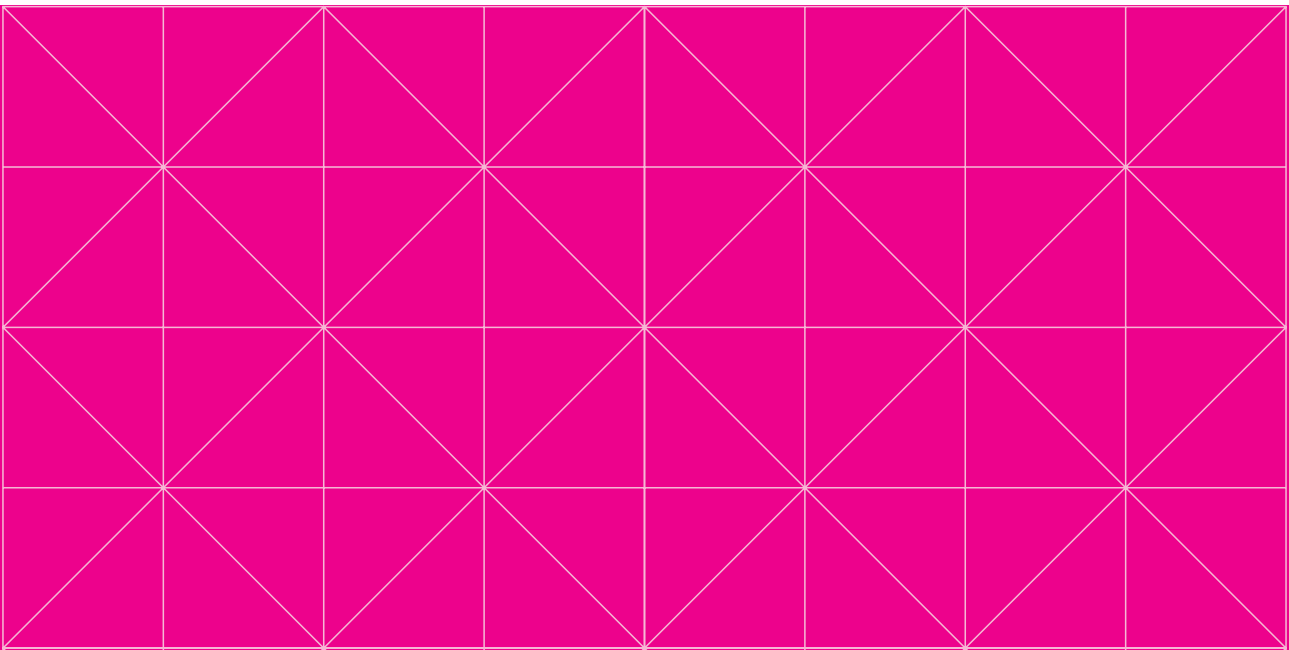

There will be an award ceremony at our Mando Group Foundation Launch party;

prizes will be awarded for the largest amount raised and the most creative/entrepreneurial method of increasing the initial £100. Obviously if it is a team effort the total will be divided by the number in the team.

The idea behind the challenge is to get everyone involved with the Mando Group Foundation and to give each and every one of you the opportunity to do your bit and obviously we want you to have FUN whilst doing it.

Just to make it clear the initial **£100 has to be returned** by the deadline date.

About the foundation

As you all know we launched our grant giving foundation earlier this year. We have partnered with the Community Foundation for Merseyside which helps us find the appropriate charities to support.

We look to support charities which will help in the education and employment of young people in the surrounding local area.

We started the foundation as a way for our company and our staff to make a positive difference in the world we live.

We may be small but we are passionate about seeing the opportunities of others be increased by the small contributions we make. This challenge is a way for us all to get involved and to increase the pot of money Mando Group have already invested.

FAQS

What you need to know about participating in the Mando Group £100 challenge.

Q. Are we free to grow the initial £100 investment by any means?

A. As long as it's legal, decent and honest! It could be anything really – use your contacts to collect raffle prizes, sell off that old unwanted stock on eBay, pay entrance fees into a fun run and ask the runners to raise sponsorship for the Challenge...use your ingenuity!

Q. What proof do we need that we raised money within the rules and spirit of the competition?

A. We would hope that people will be honest and will raise the money within the rules of the competition, however those that are in the mix for winning a prize will be asked to explain how they increased their initial £100. There will be an opportunity to increase your contribution by adding Gift Aid to the money you raise.

Q. What will the winner receive?

A. Now that would be telling...You will have to wait and see, but it will be a prize worth winning so get your thinking hands on and get making some money!

Q. Is there any limit to how many people you can combine with?

A. No, but just remember your total will be divided by the number in the team.

Q. Could you use half the money individually and half with a team

A. As long as your team members are happy with that then yes you can split your initial investment.

Q. Do you have to be involved?

A. Unless you have a valid reason as to why you cannot be involved then yes we would like the whole company to be a part of the challenge.
